## **DEVI AHILYA VISHVAVIDYALAYA, INDORE**

#### **SCHOOL OF MATHEMATICS**

#### **B.Sc.** (Honors) in Mathematics

#### **Introduction:**

Mathematics is a base to many sciences as well as other subjects offered in curriculum of education. Rigorous training in Mathematics enhances capability of an individual to think and analyse situations logically and critically. Bachelor of science(honors) in Mathematics is a three year under graduate program intended to cover in depth and provide rigorous training in all hardcore branches of Mathematics like geometry, Algebra, Analysis(Real and Complex), Linear Algebra and applications of these to allied subjects.

#### **Objectives:**

The main objectives of the course are to

- 1. Provide motivation behind several results being studied in the course.
- 2. Enhance logical thinking.
- 3. Enhance writing skills required for presenting mathematical material in a systematic and logical manner.
- 4. Create an ability to apply the knowledge gained to practical problems.
- 5. Provide hands on training on mathematical softwares and typesetting software like LaTex.

#### **Learning Outcomes:**

On successful completion of the B.Sc.(Honors) in Mathematics students will be able to

- 1. Solve complex problems arising in various fields through critical understanding, analysis and synthesis.
- 2. Succeed in several competitive examinations based on UG mathematics.
- 3. Fare well in higher studies and pursue mathematics up to doctoral level.
- 4. Tackle real world problems arising in industries by applying certain mathematical techniques.
- 5. Type mathematical documents in the format required by journals and international publishers.
- 6. Use mathematical softwares to analyse mathematical problems of complex nature.

#### **Fee Structure:**

| Semester | Academic<br>Fee | Development & Maintenance |      |       | Examination<br>Fee | Total (I | Rs.)  |
|----------|-----------------|---------------------------|------|-------|--------------------|----------|-------|
|          | Fee             |                           | Boys | Girls |                    | Boys     | Girls |
| First    | 15000           | 7500                      | 3300 | 3111  | 2500               | 28300    | 28111 |
| Second   | 15000           | 7500                      | 2911 | 2722  | 2500               | 27911    | 27722 |
| Third    | 15000           | 7500                      | 3300 | 3111  | 2500               | 28300    | 28111 |
| Fourth   | 15000           | 7500                      | 2911 | 2722  | 2500               | 27911    | 27722 |
| Fifth    | 15000           | 7500                      | 3300 | 3111  | 2500               | 28300    | 28111 |
| Sixth    | 15000           | 7500                      | 2911 | 2722  | 2500               | 27911    | 27722 |

- Caution money (Refundable) of Rs. 4000/- will be charged additionally in the first semester.
- Alumni fee of Rs. 500 will be charged separately in the first semester.
- If a student repeats a paper(s) in a semester, an additional fee of Rs.500/- per paper shall be payable.
- Hostel Fee and Central Library Fee will be extra.

# **Curriculum:**

#### **First Semester:**

| Code            | Title   | Credits (L T P)             |
|-----------------|---|-----------------------------|
| CORE COU        | TRSES   |                             |
| MT4A-101        | Calculus (P)                                  | 6 (4-0-2)                   |
| MT4A-102        | Algebra I                                     | 6 (5-1-0)                   |
| ABILITY E       | NHANCEMENT COURSE                             |                             |
| MT4A-103        | Communication Skills in English               | 2 (2-0-0)                   |
| <b>ELECTIVE</b> | GENERIC: The students can choose following co | ourse or any other UG level |
| generic cours   | se being run in this campus.                  | ·                           |

| MT4A-104   | Programming In C++(P)   | 6 (4-0-2) |
|------------|-------------------------|-----------|
|            |                         |           |
| Comprehens | ive Viva-Voce           |           |
|            |                         |           |
| MT4A-105   | Comprehensive Viva-Voce | 3         |
|            |                         |           |
|            | Total credits           | 23        |
|            |                         |           |

# **Second Semester:**

| Code       | Title   | Credits (L T P) |
|------------|---|-----------------|
| CORE COU   | RSES  |                 |
| MT4A-201   | Real Analysis   | 6 (5-1-0)       |
| MT4A-202   | Differential Equations (P)  | 6 (4-0-2)       |
| ABILITY E  | NHANCEMENT COURSE   |                 |
| MT4A-203   | Environmental Studies/MIL   | 2 (2-0-0)       |
|            | <b>GENERIC:</b> The students can choose following course or any of the being run in this campus. <b>(Any one)</b> | ther UG level   |
| MT4A-204   | Mathematical Finance  | 6 (5-1-0)       |
| MT4A-205   | Econometrics  | 6 (5-1-0)       |
| Comprehens | sive Viva-Voce  |                 |
| MT4A-206   | Comprehensive Viva-Voce   | 3               |
|            | Total credits   | 23              |

## **Third Semester:**

| Code     | Title                    | Credits (L T P) |
|----------|--------------------------|-----------------|
| CORE COU | RSES                     |                 |
| MT4A-301 | Theory of Real functions | 6 (5-1-0)       |
| MT4A-302 | Group Theory I           | 6 (5-1-0)       |

| MT4A-303   | PDE and systems of ODE(P)  | 6 (4-0-2)    |
|------------|--|--------------|
| SKILL ENH  | IANCEMENT COURSE(Any one)  |              |

## **Sixth Semester:**

| Code  | Title                              | Credits (L T P) |  |  |
|---|------------------------------------|-----------------|--|--|
| CORE COU                                      | PSFS                               |                 |  |  |
| CORE COU                                      | RSES                               |                 |  |  |
| MT4A-601                                      | Metric spaces and complex analysis | 6 (5-1-0)       |  |  |
| MT4A-602                                      | Ring Theory and Linear Algebra II  | 6 (5-1-0)       |  |  |
| ELECTIVE COURSES-DISCIPLINE CENTRIC (Any Two) |                                    |                 |  |  |
| MT4A-603                                      | Theory of Equations                | 6 (5-1-0)       |  |  |
| MT4A-604                                      | Linear programming                 | 6 (5-1-0)       |  |  |

| MT4A-605   | Mathematical modelling  | 6 (4-0-2) |
|------------|-------------------------|-----------|
| MT4A-606   | Project work            | 6         |
| Comprehens | sive Viva-Voce          |           |
| MT4A-607   | Comprehensive Viva-Voce | 3         |
|            | Total Credits           | 27        |

## **Note:**

- 1. The syllabi of the courses mentioned above shall be those prescribed by UGC for B.Sc.(Honors) with minor modifications.
- 2. As per ordinance 14, Credits allocated to comprehensive viva voce will not count towards total number of credits required for the award of the degree.
